

Pressure System Accessories

Inline Paint Filters and Holders

→ Provide final filtration of paint. Fits onto the spray gun on pressure system. Available in three filtrations: 280, 140 and 54 mesh. Features a large filtration surface and can be used with water soluble material. The filter holder is made of Delrin and the filter is made of Polyamide.

Order No.	Description
622538	Filter Housing F 3/8" - M 3/8" - W200, AZ10, W77, NEW77
62251414	Filter Housing F 1/4" - M 1/4" - W100, NEW71

Inline Filters

Order No.	Description
6225340	Filter 54 Mesh white, 240 micron
6225100	Filter 140 Mesh blue, 120 micron
6225052	Filter 280 Mesh green, 60 micron

Pressure System Twin Hose Sets

→ Whatever your pressure system application we have a hose to suit. Choose from our lightweight non-reinforced BH23 hose, TPH6 with reinforced fluid line or the heavy duty TPH8 with both air and fluid lines reinforced.

Order No.	Description
BH23	Twin air / paint hose, non-reinforced. 6 mm air & 8 mm fluid, per metre
BH23.2	Twin air / paint hose, non-reinforced with re-usable fittings, 2 metres
BH23.5	Twin air / paint hose, non-reinforced with re-usable fittings, 5 metres
BH23.7	Twin air / paint hose, non-reinforced with re-usable fittings, 7 metres
BH23.10	Twin air / paint hose, non-reinforced with re-usable fittings, 10 metres
TPH6	Twin air / paint hose, reinforced fluid only. 6.5 mm air & 6 mm fluid, per metre
TPH6.2	Twin air / paint hose, reinforced fluid only, with fittings, 2 metres
TPH6.5	Twin air / paint hose, reinforced fluid only, with fittings, 5 metres
TPH6.7	Twin air / paint hose, reinforced fluid only, with fittings, 7 metres
TPH6.10	Twin air / paint hose, reinforced fluid only, with fittings, 10 metres
TPH8	Twin air / paint hose, reinforced air & fluid. 8 mm air & 7.5 mm fluid, per metre
TPH8.2	Twin air / paint hose, reinforced air & fluid, with fittings, 2 metres
TPH8.5	Twin air / paint hose, reinforced air & fluid, with fittings, 5 metres
TPH8.7	Twin air / paint hose, reinforced air & fluid, with fittings, 7 metres
TPH8.10	Twin air / paint hose, reinforced air & fluid, with fittings, 10 metres
