HP.BS

HP.SBS

ECL.9000

- Ideal for those artists who want more control
- Easy clean chrome body with ergonomic cut out handle for faster cleaning between colours
- Stainless steel needles as standard
- Internal mix, double action main levers on HP.BS / CS / BCS / SBS
- Internal mix, double action trigger on Eclipse G6

→ A unique "Pistol Grip" airbrush, the Eclipse G6 airbrush looks like a miniature spray gun, but sprays and performs like a large airbrush. Equipped with a long tapered needle that ensures a smooth transition between fine-to-wide background spray, it utilizes a dual-purpose air cap and a fan adjustment valve that lets the airbrush spray a round or oval pattern. Equipped with a special fitting so airbrush bottles can be used instead of a gravity-feed cup, allowing for multiple colour bottles to be interchanged quickly without having to clean a cup thoroughly.

- Nozzle size:

HP.BS /CS/SBS	0.35 mm
HP.BCS	0.5 mm
ECL.9000	0.6 mm
- Gravity Pot Capacity:

HP.BS	1.8 ml
HP.CS	7 ml
- Side Feed Pot Capacity: HP.SBS 3.6 ml
- Suction Pot Capacity:

HP.BCS	28 ml
ECL.9000	112 ml
