

Studio Series

Backed by the most trusted and professional name in airbrushes, Iwata Studio Series air compressors are user friendly, powerful and affordable. These compressors bridge the gap by providing the most complete air compressor for a value for money price. Iwata Studio Series compressors feature "Sprint Power" - mightily powerful and reliable oil-less piston compressors that are remarkably quiet and extremely portable.

IS875

IS925

IS50

Smart Technology

- Compressor shuts itself off automatically when not in use
- Less heat-related moisture build up
- Produces full capacity air on demand
- Reduces running time
- Less motor wear means longer compressor life
- Inherently quieter in salon environments
- Protective outer case with handle for portability
- Zero maintenance oil-less piston air compressor
- Built-in airbrush holder
- Extra hose wrap for enhanced moisture separation
- No pulsation
- Moisture filter
- Mounted pressure gauge
- Air regulator for precise air pressure adjustment
- High strength polyurethane hose fits Iwata air brushes
- Illuminated On/Off switch

Smart Jet Pro (IS875)

- Powerful 1/8 hp motor
- Working pressure from 10 psi to 40 psi
- Air Flow: 0.64 cfm (18 lpm)
- Weight: 6.4kg
- Size: 26.5 x 31 x 15.5 cm
- Comes with DT 110 Air hose

Power Jet Lite (IS925)

- Powerful 1/6 hp twin piston motor
- Operate up to 2 airbrushes or RG3/AZ5 Touch Up spray gun (two way valve assembly sold separately)
- Working pressure from 10 psi to 60 psi
- Air Flow: 1.15 cfm (32 lpm)
- Weight: 7.9 kg
- Size: 26.5 x 31 x 15.5 cm
- Illuminated On/Off switch
- Comes with DT 110 Air hose

Silver Jet - IS50

Small lightweight portable compressor. Suitable for those who require infrequent use. eg. Hobby Artists & Mobile Nail Technicians.

- Continuous run with pressure bleed valve
- Working pressure from 10 psi to 18 psi
- Air Flow: 0.33 cfm (9 lpm)
- Weight: 2.8 kg
- Size: 15 x 15 x 17.5 cm
- Complete with coiled Air hose
